More Registration Information

Register on line

Registering online is so easy at: www.EAYSO.org

It saves you time from filling out a form by hand. You can do it at your convenience at home. Your child's information is inputted correctly by you and not transcribed incorrectly by us. Once you register on line, it is just a click of a button each year after to renew your registration. Don't forget to print out two forms and sign them both before turning them in.

You can mail in forms to:

AYSO Region 206
P.O. Box 91226
Tucson, AZ 85752

Complete instructions are available at our regional website: www.206soccer.com under registration information at the bottom of the page in detail for registering on line.

Volunteers can take advantage of this easy process as well. All volunteers must fill out a volunteer form each year and print them out and sign them before turning them in to the CVPA. Use EASYO to make it easy on yourself. If you have any questions about being a volunteer, contact Frank Brewster region 206's CVPA at: CVPA@206soccer.com

U of A Clinic

All players that are registered before August 1st will have the opportunity to work with the talented UofA women's soccer players. They will be doing a free clinic for all our Region 206 kids at Dan Felix park on August 4th to get them ready for their upcoming season.

The times are as follows:

- U6 at 8am
- U8 at 9am
- U10 at 10am
- U12 at 11am
- U14 at 12pm
- U17-U19 at 1pm

Show up at your designated time and meet at the check in table. We will guide you from there as to where your station will start. The clinic for each age group will take about an hour.

Bring water to drink, wear sun block and we will have water to get the kids wet and a reward at the end of their rotation.

You don't want to miss this great chance to meet the UofA women soccer players up close and learn from them. What a great chance to be ready for your soccer season.

From Our CVPA

AYSO's Child Volunteer Protective Advocate

Keeping our children and volunteers safe is a goal in which I believe we can all agree. To do this, AYSO requires all volunteers to complete an annual volunteer application and to take a Safe Haven course, at least once. National has informed me that we will need new volunteer applications from all volunteers for the Fall 2007 season, even if you just completed a volunteer form for the Spring 2007 season. You may complete the volunteer application online at <http://soccer.org/home.aspx>. Once you complete the application online, please print and sign two copies. You may mail them to AYSO, Region 206, P.O. Box 91226, Tucson, AZ., 85752. If you are a new volunteer, either myself or a designee will need to confirm your identification by viewing a picture ID, so you may want to physically bring your application to one of our in person registrations. Once registered, I will send you your AYSO volunteer ID number and you may take the Safe Haven course online as well. We will also have classroom Safe Haven training in the Fall for those who prefer the face to face contact. I also want to encourage all team parents to complete a volunteer application and to take the Safe Haven course. Our team parents are a fantastic support to the coaches and referees. Your knowledge of the Safe Haven curriculum will come in handy during the season.

Sincerely,

Frank Brewster
