BE A COACH

Think about coaching now for the upcoming Fall season. AYSO offers all the training you need to get started.

The dates of the next trainings will be listed in the newsletter each month so keep an eye out so you can plan on attending.

Positive coaching is important for an enjoyable season for the kids.

**If coaching isn't for you, please consider helping out the region with a board position or in the referee department.*

Need a Yearbook

Each player that played during the Fall 2009 season is entitled to a yearbook. Most families came and picked up their yearbooks at our scheduled yearbook pick up. But if for some reason you didn't the yearbooks will be available for pick up at any of our upcoming registrations.

****Next registration is on Saturday February 27th at the new Crossroads field (Cortaro & Silverbell) grand opening starting at 10am.***

Have you Registered yet?

Register for the Fall 2010 season at the field grand opening starting at 10am. Registration is \$90 and blank forms will be available at the AYSO tent at the field.
