- Region 206 provides a yearbook for each player capturing the whole season for you to enjoy in years to come.
- This is a special feature that not all regions provide. It has been a tradition and a special gift from our region to each family.
- The yearbook takes a lot of time and money to produce and we aim for the highest quality.
- Due to production time-lines that were not met by all the volunteers the yearbook was not able to be ready before the season was over as we would have liked.

So this year we are doing a yearbook pick up.

We will have all the yearbooks available for pick up at Arthur Pack as well as coach t-shirts for any coaches that did not receive them. *(Coaches you may bring player forms to turn in for shredding as well)*

Saturday, January 23rd from 10am –1pm

Saturday, January 30th from 10am –1pm

After these dates yearbooks will no longer be available so please don't miss out.

Thank you to our Volunteers!

Thank You. Another successful regular season in Region 206 has officially come to an end. With the help of numerous volunteer coaches, referee's, and parents we gave 950+ children a chance to play the best sport in the world, play that game in an environment that is kid centered, and had great examples of how to play a competitive sport with great sportsmanship.

Successful seasons begin with great planning and active participation by a very dedicated group of board members. It takes an enormous amount of effort to bring each season to life, keep it working, and finish it off positively. I want to thank each and every board member for their efforts and especially to *Jon Davis*, who worked week in and week out getting referee's to every game. Thanks to *Pat Howard* who organized and orchestrated our coach meetings, coach assignments, etc... Thanks to *Leisa Kinzie* and *AJ Baray* for all the registration, team formation, etc... Thanks to *Frank Brewster* for keeping us all legal and keeping our players safe. Thanks to *Wade Crowley* for working with county and keeping the fields available and ready. Thanks to *Deb Davis* who keeps our region financially sound and on track. Thanks to *Wayne Wilson* who works tirelessly to keep our website current and up-to-date. Thanks to *Jill Owen* for staying on top of our uniform needs and organizing the team uniforms. Thanks to *Kaissa Gurvine* for putting together a great newsletter and keeping the region informed. Thanks to *Curt Apperson* who has renewed our U5 program and brings a lot of energy and knowledge.

A Special Thanks goes out to *Mary Ferber* who has been running the VIP program for the last 10 years. We couldn't have provided this amazing program to our special needs children all over Tucson if it hadn't been for her. We appreciate all her work that went into organizing and running this program and donating all her time to families of these Very Important Players.

If anyone is interested in helping with this program so it can continue please contact the commissioner.
