## **AYSO Region 206 Refund Policy**

If your player needs to withdraw from playing soccer in Region 206 send an e-mail to the Region registrar and treasurer ([Refund Request Email](#)). You can also find their e-mail addresses on the Region 206 website ([www.206soccer.com](http://www.206soccer.com)) under board member contacts. Please include your player's name, coach (if applicable), a reason for the withdraw (to help us understand any underlying issues experienced by the region), and a name and address for the refund check. Refunds will be issued under the following conditions:

For requests sent prior to the first practice or team meeting of the season a full refund will be issued.

For requests sent after the first practice or team meeting and before the first game of the season a refund equal to the following will be issued after the treasurer receives verification from the coach that all uniform items and other equipment was returned to the coach prior to the first game (this allows a new player to participate in the first game):

Refund = Registration Fee Paid - AYSO National Fee (for insurance reasons)

For requests sent after the first game and before the second game of the season a refund equal to the following will be issued only if a new player is available in the player's division (not applicable to U5 players) and after the treasurer receives verification from the coach that all uniform items and other equipment was returned to the coach prior to the second game. If there is not a new player available a refund will not be issued.

Refund = Registration Fee Paid - AYSO National Fee (for insurance reasons)

Requests for refunds sent after the second game of the season will not be honored.

Please allow 2 weeks for generation of refund checks following the completion of all required verifications. If uniform and equipment is not returned within the time specified a refund will not be issued.
