Ted Walker

On behalf of the Pima County Parklands Foundation, I want to thank the American Youth Soccer Organization Region 206 for the very generous donation of \$250.00 to be used for maintenance items for Dan Felix Park. It is our pleasure to earmark funds for special purposes and, since we are an all-volunteer organization, you may be assured that your entire donation will be used as you request.

It is contributions of caring individuals and organizations like the American Youth Soccer Organization that are at the heart of our fulfilling our mission: to protect and enhance the parks of Pima County, Arizona: this includes funding park improvements, the acquisition of parklands, and the enhancement and enlargement of recreation programs, like youth soccer.

We hope you continue to enjoy Pima County parks to their fullest.

Yours very truly,

Gene Isaak, President

GEI/mkm
